

KIRCHNER FELLOWSHIP APPLICATION 2025-2026

Sample application form – not for submission

The Kirchner Fellowship is an opportunity for a group of students to receive hands-on impact investment training focused on businesses with ground-breaking technologies, providing long-term sustainable solutions, both environmentally and economically.

Kirchner Fellows receive high-level mentoring from experienced investors and industry experts. Working directly with our leadership team and our network of thought leaders, the Kirchner Fellows will engage in a series of face-to-face meetings and online educational experiences using methods that expose them to practical, real-world issues of seed and early-stage impact investment.

Ultimately, Fellows are given discretion over the entire investment process, including the decision to invest or not, during their tenure.

This application form will require that you complete several questions in English and also attach your resume (or CV) as well as your (official or unofficial) transcript or equivalent university document.

Please be sure to have those documents ready to submit and be prepared to complete the entire application form before beginning. We estimate it will take approximately one hour to complete.

If you have any questions, you can contact:

*Adrian Garcia adrian@kirchnerfellowship.com (Mexico Program)

*Priscilla Morera González priscilla@kirchnerfellowship.com (Costa Rica Program)

*Hattie Brown hattie@kirchnerfellowship.com (General)
